

In Memoriam

—
Pierrè

Gedanken zu Pierrès Gedichten
über Heimat:

Pierrè in Bewegung -
Pierrè auf der Suche nach
Heimat?

Dem Westen hat Pierrè die
längste Gedichtstrophe
gewidmet.

Bewusst?
Unbewusst?

(Eveline, Pierrès Schwester)

San Francisco (2009)

San Francisco is home.

San Francisco is happiness.

San Francisco is freedom.

San Francisco is the City which loves herself,
is the People in the City who love themselves,
is the People in the City, who love Their City.
San Francisco ain't the Golden Gate Bridge.

San Francisco ain't Castro.

San Francisco is a fragrance.
